

C236 PEDAL

TREKKING & CITY

C236

wellgo

- Size: 92.5*78*29(mm)

Aluminum die casting body
with superior strength and
better wear resistance.

Lighter option in Magnesium
die casting body

Weight: 300g/pr(aluminum)
246g/pr(magnesium)

TREKKING & CITY

- Spindle:
CR-MO axle and with durable DU and sealed bearing system

Pin option:

1. Molded pin:
with better
wear resistant
and more
comfortable
contact

2. Replaceable Pins
for option, increased
slip resistant effect.

Insert reflector
makes the pedal
look lighter and
thinner, the
shape design is
more simple.
